Chilli is major cash crop and in Kuchinda with its warm and humid climate is ideal for chilli cultivation. For the financial year 2023-24 around 1000 acre of area chilli cultivation is being done by SHG farmers and around 2000 acre by Small and marginal farmers. Our primary objective is to support SHGs as well as local farmers in producing residue free Chilli. We are committed to promoting sustainable and environmentally friendly agricultural practices for residue free chill and for this we require valuable assistance from interested companies in achieving our goal.

The selected company will be responsible for

1. Conducting training to Krushi Mitras of Kuchinda Sub-Division and farmers of Kuchinda block for developing and implementing residue free chilli cultivation techniques and integrated pest management along with strategy on production enhancement of chilli.
2. Providing training and guidance (detail training schedule) with documents (both hard and soft copy) to farmers on sustainable farming practices for residue free chilli cultivation.
3. Monitoring and evaluating the progress of the programme.
4. Reporting on key Performance indicators and project outcomes.
5. Strategy on market and export linkage of residue free chilli
6. Strategy for Post harvest management which include drying, storage, packaging and maintenance and operation of cold storage and also value addition of Chilli into Powders, Flakes, Sauce
7. Training schedule for the same will be submitted on the day of presentation.
8. Training Module of different subtopic along with deliverable details should be submitted on the day of presentation.
9. Proper SOP to be submitted for all the process involved in IPM.
10. One Agronomist should also be present till the completion of the programme.
11. Training should be conducted preferably in Odia and Hindi languages.

Submission requirements and Evaluation Method

1. The interested companies are requested to submit their EOI by 18.10.2023 till 5.00 PM. The EOI should include the following.
 - (a) Company Profile and Credentials
 - (b) Details of Experience in residue free Crop cultivation
 - (c) Proposed approach and methodology for achieving residue free chilli cultivation.
 - (d) Reference and track record

The Participated companies/Agencies shall submit DPR and to give presentation in front of selection committee at 11.00 AM on 19.10.2023 and the agencies or companies who clear the presentation on successful implementation of residue free chilli cultivation and post-harvest management in respect of Kuchinda Sub-Division will be eligible to participate in the financial bid. The financial bid will be opened on 20.10.2023 at 11.00 AM.
