45		<p>Computer table</p>	<p>76D x 121W x60H centimeters</p>	07

6. Evaluation of Bids

(a) The Purchase Committee will conduct a thorough evaluation of both the Technical and Financial Bids. Only bidders who meet the criteria set out in the Technical Bid and submit the required supporting materials such as **sample of the specified items** will be eligible for consideration of the Financial Bid. Evaluation will be done separately for each item. Bidders who fail to meet the Technical Bid requirements or fail to provide the necessary documentation will be disqualified, and their Financial Bids will not be opened.

(b) Only those bidders who are deemed technically qualified and have quoted prices for all the items listed in the Financial Bid will be considered for price comparison. **Any bidder who submits a partial quote for only some of the items will be disqualified**, as incomplete pricing would undermine the fairness of the evaluation process.

(c) The bidder who submits the lowest price in the Financial Bid and meeting all other requirements will be considered for the award of the contract, provided that the total contract price falls within the approved budget or the allocated funds for the project.

7. Acceptance or Rejection of Bids

(a) The Tender Inviting Authority (TIA) holds the exclusive right to accept or reject any or all bids at any stage of the selection process, or to cancel the process altogether. The TIA is not obliged to provide reasons for such rejections or cancellations. As a result, no claims for damages, compensation, or any losses arising from the rejection or cancellation of bids will be entertained.

(b) Bids that contain incomplete, incorrect, doubling or overwriting in costing price or missing information will automatically be rejected. It is essential for bidders to ensure that all required information is provided accurately and in the prescribed format to avoid disqualification.

8. Award of Contract

The contract will be awarded to the bidder whose proposal is deemed substantially responsive to the requirements outlined in the Bid Document and who has submitted the lowest evaluated cost. However, the contract will only be awarded if the total contract price is within the approved budget or fund allocation. The TIA will ensure that the selected bidder's offering meets both the technical and financial requirements necessary for the successful execution of the project.

9. Rate Negotiation

(a) The TIA reserves the right to enter into negotiations with the lowest bidder if the total contract price exceeds the approved budget or fund allocation. These negotiations will aim to bring the total cost within the allocated budget while maintaining the quality of the items and services required. The quality will be given top priority.

(b) In case where a bidder has quoted the lowest price for the majority items, remarked as L1 (i.e more than 50% of the specified items at point no.5 above) , the TIA may request the bidder to agree to supply the remaining items at the lowest rates quoted by other bidders in priority basis. This negotiation will seek to achieve economies of scale, ensuring that the final contract price is competitive and aligns with the budget while also ensuring fairness to all bidders.

10. Signing of Contract

(a) The successful bidder will be required to sign a formal agreement with the Tender Inviting Authority (TIA) within two days of receiving the acceptance letter. This agreement will formalize the terms and conditions of the contract, including the delivery schedule, payment terms, and other essential obligations.

(b) Failure to sign the agreement within the specified time frame will result in the rejection of the offer, and the TIA will not entertain any claims for damages or compensation. The TIA reserves the right to proceed with awarding the contract to another bidder in such cases.

11. Performance Security Deposit

The selected bidder will be required to submit a Performance Security Deposit for **Rs.1,50,000/-**. This deposit must be submitted within two days of receiving the acceptance of agreement. The Performance Security Deposit serves as a guarantee for the bidder's fulfillment of the contract and ensures that the bidder will perform all obligations as per the contract terms.

The Performance Security Deposit must be provided in the form of a Bank Draft or a Bank Guarantee(BG)in favour of "District Project Coordinator, SS Sambalpur (PMSHRI)," and it must be payable at Sambalpur . In case of a Bank Guarantee, the bidder must ensure that the guarantee is submitted in the prescribed format (Format-B) . Additionally the bank Guarantee must remain valid for a period of at least 30 days beyond the defect liability period specified in the contract, ensuring that the bidders' performance is secured for full duration of the contracts implementation and defect liability period.

12. POST Delivery Inspection (PDI):

The tender Inviting authority will conduct a comprehensive Post Delivery Inspection. The inspection will be carried out by specialized personnel from the committee ensuring that the items meet the required specifications and standards as submitted as samples in brochures during tender with sample supplied to the PMSHRI School point randomly.

13. Requirement & Delivery Schedule:

The selected firm will be responsible for supplying the required quantity of all items to the designated **07 nos of PM SHRI Schools given in next page**. The firm must complete the delivery process within 10 days from the date of the issuance of the work order. This timeline is critical to ensure the timely availability of items for the smooth

functioning of the CRC at PM SHRI School. If the delivery is delayed beyond the stipulated period, penalties may apply, as outlined below.

Sl.No	Name of the School	Block	Sl.No	Name of the School	Block
1	Govt. Higher Secondary school, Gorposh	Bamra	5	Mathura Pradsad High School, Dhama	Maneswar
2	Sason Nodal High School.	Dhankauda	6	Govt. Higher Secondary School, Kadalgirh	Rairakhol
3	Govt. UPS Jhankarapali	Jujumura	7	Govt. Boys High School, Burla	Dhankauda/SMC
4	Govt. (SSD) Girls Higher Secondary School, Ardabahal	Kuchinda			

14. Payment Terms:

(i) Once the delivery is completed at the respective PMSHRI School, the bidder must submit an acknowledgment receipt from each HM of PMSHRI Schools confirming the receipt of the items. This receipt should be attached to the duplicate copy of the delivery challan detailing the goods delivered at PMSHRI School point. These documents will serve as proof of delivery and will be used to initiate the payment process.

(ii) On completion of delivery at PMSHRI School point payment shall be made after receipt of the required reports / Papers/ documents as under:

- Challans towards satisfactory completion of supply of quantity to concerned PMSHRI School point as per supply order.
- On fulfillment of conditions of the agreement.
- Four self-inking carbon copies of the GSTIN invoice as well as bank details for payment purpose.

(ii) No advance payment will be made to the bidder. Payments will be processed only after the delivery is completed and documented properly. Additionally, payments through bank negotiations will not be entertained.

(iii) The TIA will deduct tax at source from the total payment at the prevailing rates as per the current tax laws. The bidder is expected to comply with all tax-related obligations under the applicable laws.

15. Penalty for Delay in Delivery:

In case the selected firm fails to deliver the items in time, a penalty will be imposed. The penalty will be 0.5% of the total contract value per week or part thereof for each week of delay. This penalty will continue to accumulate until the work is completed, with a maximum penalty limit set at 10% of the total contract value. This penalty mechanism ensures that the bidder remains motivated to complete the delivery on time and adheres to the specified schedule. Additionally, the TIA reserves the right to forfeit the Performance Security if the bidder fails to meet the delivery schedule and may also

debar the firm from participating in future tenders. In extreme cases, the TIA may request the Government to blacklist the firm, which could have long-term repercussions for the bidder.

16. Amendments to Bid Terms, Conditions, and Issuance of Corrigendum/Addendum:

(a) The TIA may, up to seven (07) days before the final date for submission of bids, amend or modify the bidding documents. This may occur at the TIA's initiative or in response to a clarification request from any bidder. Any amendments will be issued in the form of a corrigendum or addendum. The TIA will notify any such amendments through official websites <https://sambalpur.odisha.gov.in> / www.osepa.odisha.gov.in/

17. Submission of Tender:

Each bidder is permitted to submit only one tender in response to the invitation. Submitting more than one tender will lead to the automatic rejection of all proposals from that bidder. This ensures transparency and fairness in the bidding process and prevents any potential for manipulation of the system.

18. Submission of Additional Information:

If the space provided in the tender document is insufficient to include all necessary information, bidders are allowed to use separate sheets. These additional sheets must follow the prescribed format and be numbered consecutively. Every additional page must be authenticated with the bidder's signature to verify the authenticity of the information provided.

19. Accuracy of Information Submitted:

It is expected that all information provided by the bidder in the tender documents is true and accurate to the best of their knowledge. Any false or misleading information may lead to disqualification from the tender process and could result in penalties or legal consequences.

20. Document Submission:

Bidders must ensure that they submit all required documents as specified in the tender document. These documents must be part of the Technical Bid or Financial Bid as applicable. Failure to submit the necessary documents will lead to rejection. The documents should be properly numbered and clearly marked with page numbers for easy reference. The submission process should be in line with the instructions laid out in the tender document.

21. Right to Modify Bid Terms:

The TIA reserves the right to make modifications to the terms and conditions outlined in the bid document at any point during the execution of the contract, should it be deemed necessary. These changes will be communicated to the bidder, and adjustments will be made as required.

22. Bid Validity Period

The validity period for the submitted bid will be 90 days from the opening of the date of the financial bid. The bidders must ensure that their bid remains valid for this period to avoid any complication or delay in contract awarding.

23. Right to reject bids

The TIA holds the discretion to reject any or all bids received in response to the tender without providing reasons. The TIA also reserves the right to modify any term of the bid documents during the contract execution if necessary. This provision allows flexibility to ensure the procurement process meets its objectives effectively.

24. Resolution of Disputes:

(a) Any dispute arising between the TIA and the successful bidder should be addressed in writing by both parties, signed by the designated authorities as per the contract agreement. Both parties should strive to resolve the issue amicably through consultations and negotiation.

(b) If mutual consultation fails within 21 days of the dispute, the matter will be referred to a conciliation panel. Each party will nominate one member to form the panel. If the conciliation process fails, the dispute will be escalated to arbitration. The Arbitrator will be nominated by the Collector -cum- Chairman, SS, Sambalpur and the arbitration will follow the provision of the Arbitration and Conciliation Act 1996 of India.

25. Applicable Law and Jurisdiction of Courts:

(a) The contract will be governed by Indian laws that are in force at the time of contract execution, and any disputes will be interpreted based on these laws.

(b) Any legal disputes that arise concerning the contract will fall under the jurisdiction of the courts in Sambalpur. This ensures that legal matters are handled within the local judicial framework, reducing delays and ensuring quicker resolutions.
