## **Procedure to deal with Vacant Seat e-Admission (Phase-III) in Higher Secondary Schools for the Session 2025-26**

### **Eligibility Criteria:**

1. Applicants must have passed the High School Certificate (HSC) Examination of the Board of Secondary Education (BSE), Odisha, or an equivalent examination from other recognized Boards.
2. No reservation or weightage claims will be considered for vacant seat admissions.

### **Instructions:**

1. Applicants and their parents/guardians are advised to carefully read the '**Common Prospectus**' available on the SAMS portal before filling out and submitting the online Common Application Form (CAF).
2. The CAF fee must be paid online only, as detailed in the Common Prospectus.
3. **Candidates who applied in Phase-I and Phase-II of the 2025 admission process but were not allotted any Higher Secondary School may re-apply using their existing login credentials without paying the CAF fee.**
4. **Applicants can edit their Common Application Form (CAF) up to four times.**
5. Applicants must personally apply and choose the Higher Secondary School of their choice. Do not allow anyone else to apply on your behalf.
6. Applicants are urged to complete the online CAF carefully, as any mistakes may result in rejection.
7. The list of Higher Secondary Schools with vacancies will be provided exclusively for preference selection purposes.
8. Before adding a Higher Secondary School to your preference list, please review its fee structure in the '**Individual HSS Profile**' on the SAMS website.
9. All relevant documents must be submitted and verified at the selected Higher Secondary School during admission.
10. **Following Categories of applicants are eligible to apply:**
  - a) Applicants who were unable to apply during Phase-I and Phase-II admissions for any reason.
  - b) Applicants who were previously selected but did not enroll, as well as those who were not allotted any seat during Phase-I and Phase-II admissions.

c) Students who have already taken their **Transfer Certificate (TC) on or before 17<sup>th</sup> October 2025** are eligible to participate in Phase-III e-Admission process.

11. In this phase, after correcting an applicant's errors through the '**Error Correction**' module, if their marks meet the cut-off criteria, the Higher Secondary Schools (HSSs) may approve the applicant by clicking the '**Allowed**' button. Otherwise, the applicant will be excluded from the admission process.
12. Admission in this phase will follow a single-selection process. For each Higher Secondary School (HSS), **the merit list and waiting list (in a 1:10 ratio)** will be published simultaneously.
13. Any seats remaining vacant after admitting the selected candidates in Phase-III will be filled from the waiting list according to the specified timeline. **The waiting list will be prepared and published in a 1:10 ratio.**

**Procedures:**

1. Fresh applicants must register on "[www.samsodisha.gov.in](http://www.samsodisha.gov.in)" using their mobile number and email, while previously registered users should use their existing login to apply.
2. All other processes, including application submission, will follow the guidelines in the 'Common Prospectus' on "[www.samsodisha.gov.in](http://www.samsodisha.gov.in)" for e-Admission.
3. Applicants will be notified of their selection and reporting time via SMS/WhatsApp, SAMS login, HSS online merit list, and notice board. For **Phase-III 1<sup>st</sup> selection**, the intimation letter will be generated in the applicant's login and shared via WhatsApp.

**N.B.**

1. Applicants may choose their preferred Higher Secondary Schools and Streams, regardless of current vacancies. However, allotment will be based on seat availability as of **17<sup>th</sup> October 2025**, allowing applicants to benefit from vacancies during the online application period.
2. No claim can be made for vacancies arising after **17<sup>th</sup> October 2025**. Selecting and applying for options is the sole responsibility of the applicants. Once a candidate is selected, the HSSLC will not be generated automatically along with the Intimation Letter.
