SAMBALPUR

Telephone: 0663-2410361, E-Mail: districtelection.sbp@gmail.com

No. 6486 /Election

Date: 20.03.2026

To

The District e-Governance Manager (DeGM), Sambalpur

Sub: Integration of Voter Search Facilities (ECI and CEO Links) on the District Website – Reg.

Sir,

With reference to the subject cited above, I am to inform you that the **Election Commission of India (ECI)** has scheduled the commencement of the **Special Intensive Revision (SIR) 2026** in the State of Odisha starting from **April 2026**.

As part of the mandatory preparatory activities, this office is tasked with ensuring smooth, time-bound, and error-free execution of statutory electoral exercises. A critical component of this process involves the **mapping of electors** and ensuring that citizens can easily verify their details in the Electoral Roll.

In view of the upcoming revision activities, you are requested to immediately host/link the following **Voter Search Facilities** on the official homepage of the Sambalpur District website:

1. **ECI Voter Search Link:** (National Voter's Service Portal/ECI Search)
2. **CEO Odisha Search Link:** (Chief Electoral Officer, Odisha Voter Search)

The integration of these links is essential to assist voters and Booth Level Officers (BLOs) during the mapping and revision process. Since the progress of elector mapping is being reviewed on a daily basis by the Office of the Commission, this task must be completed on a **priority basis**.

Kindly confirm the successful integration of these links to the Election Section of this Office at the earliest.

Yours faithfully,

Signature valid
