9. Amendment to Codal /Contractual provisions.
(Works Department Memorandum No.173 dt. 03.01.2026).

After careful observation, Government has been pleased to abolish the extant provisions of threshold negative bid caps (14.99%) introduced in Appendix-IX, Clause 36 of OPWD Code Volume-II in the procurement of works undertaken by the Govt of Odisha and its agencies to ensure the procurement process results in a viable and successful manner with adoption of following incremental Additional Performance Security (APS) system:

I. Additional performance security shall be taken on an incremental basis from the selected bidder for low bid prices in the project works as under:

I. where the bid price is below 0% but not below 10% of the project cost put to bid, no additional performance guarantee/security percentage is required.

II. where the bid price is below 10% but not below 20% of the project cost put to bid, the additional performance guarantee/security percentage shall be incremented by 0.1% for every percentage of bid price below 10% of the project cost put to bid starting at 11% with the additional bid performance guarantee being 0.1% and this additional performance guarantee percentage shall be applied on the bid price;

III. where the bid price is 20% or more below of the project cost put to bid, the additional performance guarantee percentage shall be incremented by 0.2% for every percentage of bid price below 20% of the project cost put to bid in addition to 1% of the bid price and this additional performance guarantee percentage shall be applied on the bid price;

IV. The additional performance guarantee percentage shall be rounded off to the next lower percentage based on whether the decimal point of the percentage of bid price is below 0.5% or next higher percentage based on whether the decimal point of the percentage of bid price is 0.5% or more.

V. The additional performance security shall be treated as part of the performance security.

VI. Justification for abnormally low bids shall be scrutinized by the Departmental Technical Committee and recommended to the competent authority of the Administrative Department for the approval of the Additional Performance Security (APS). An abnormally low bid is one in which the Bid price, in combination with other elements of the Bid, appears so low that it raises material concerns as to the capability of the Bidder to perform the contract at the offered price. Procuring Entity may, in such cases, seek written clarifications from the Bidder, including detailed price analyses of its Bid price in relation to scope, schedule, resource mobilization, allocation of risks and responsibilities, and any other requirements of the bid document. If, after evaluating the price analyses, the procuring entity determines that the Bidder has substantially failed to demonstrate its capability to deliver the contract at the offered price, the Procuring Entity may reject the Bid/ Proposal. However, it would not be advisable to fix a normative percentage below the estimated cost, which would automatically be considered as an abnormally low bid.

Additional Performance Security (APS) in shape of TDR/ STDR issued by Nationalized Bank/ NSC/KVP/ Post Office Time Deposit/ Post Office Saving Bank account pledged in favour of **Block Development Officer, Panchayat Samiti Naktideul, Sambalpur** with seven days i.e. from the date of issue of intimation to the bidder, if the bidder fails to deposit the required APS by the schedule date and time, the bid stands automatically cancelled alongwith forfeiture of Earnest Money Deposit no complaint what so ever will be entertained hereafter. Further proceeding for black listing shall be initiated against the defaulting bidder/ contractor

10. The scheduled Caste / Scheduled Tribe / Contractors desirous to avail the facility of preference as per Govt. rule should enclose the copy of their registration certificate stating the fact of caste by their registration authority with the bid, failing which they will not get price preference as per above rule.

11. The bidders shall have to produce an affidavit in support of authenticity of documents like credential, GSTIN certificate, contract license, PAN Card including the E.M.D accompanying the bid. The authority reserves the right to verify the authenticity of document in case any doubt or complain arises. GST on works contract as applicable at the time of payments shall be paid extra over the gross amount.

12. When in response to a notice calling for tenders, only a single tender is received in the first time, tender shall be cancelled without opening of bid and fresh tender be invited publicly. If single tender is received, even after re-tendering then the approval of the next higher authority should be obtained, if the tender is otherwise in order and acceptable as per O.M.No.16 dt.01.01.2015 of Works Department.

13. Engineer Contractor desirous to avail the facility of exemption of EMD is required to submit an affidavit in original to the effect that he/she has not availed the facility for more than three works during the current financial year. The name of work for which and the authority to which the tender is being submitted must be mentioned in the affidavit failing which the tender shall be rejected.

14. A bidder can submit only one tender paper for a particular work, submission of more than one tender paper by a bidder for a particular tender will be liable for rejection of all such tender papers as per Works Department letter No.4985/WE dated.28.03.2007.

15. Conditional tender will summarily be rejected. The authority reserves the right to reject any or all the tenders without assigning any reason thereof.

16. Other details can be seen in the bidding documents, which is available in web-site <http://www.tendersodisha.gov.in>
